

Team 1

Team Members: Ty Ahrens, Kyle Schultz, Tuan Le, Matthew Evans, Hadassah Ranghiuc, Austin Marcellino

*Electrical and Computer Engineering Department
Tennessee Technological University*

Introduction

This teamwork contract outlines the agreed-upon expectations, responsibilities, and guidelines for effective collaboration among the members of Team 1. By adhering to this contract, we aim to foster a productive, respectful, and supportive team environment conducive to the success of our project.

Team Expectations

In this section, the team will discuss and clearly define their collective expectations in various key areas. Be specific to ensure mutual understanding.

1. Participation (*Engagement and Effort in the Project*)

- **Expectation:** Each team member is expected to:
 - Actively participate in all team meetings and discussions.
 - Engage fully in project activities and contribute ideas.
 - Notify the team with at least 24 hours advance if unable to attend a meeting or meet an obligation.

2. Contribution (*Progress on the Project*)

- **Expectation:** Each team member is expected to:
 - Complete assigned tasks diligently and on time.
 - Contribute equal effort to the project's progress.
 - Share expertise and assist others when needed.

3. Communication

- **Expectation:** Team communication should be:
 - Professional, respectful, and considerate.
 - Conducted through agreed-upon channels (Email, text message, and Discord). Members are expected to download Discord on their phone with notifications enabled.
 - Responsive, with replies to inquiries within 24 hours.

4. Meetings

- **Expectation:** Regarding team meetings:
 - **Frequency:** The team will meet twice weekly on Monday & Wednesday from 11:00am - 12:00pm. If additional meetings are required, the team can collaborate to find a suitable time to meet.
 - **Attendance:** Members are expected to attend all meetings; absences should be communicated in advance with at least 24 hours notice.
 - **Preparation:** Members are to share what they've been working on and are expected to have completed any agreed-upon tasks or research. If a member is blocked on any task they are to inform the team and discuss steps to move forward.

5. Conduct

- **Expectation:** Team members will:
 - Treat each other with respect and courtesy.
 - Listen actively and allow others to express their ideas without interruption.
 - Address disagreements professionally and constructively.

6. Conflict Resolution

- **Expectation:** The team will:
 - Address conflicts promptly through open dialogue.
 - Use a step-by-step approach to resolve issues:
 1. Discuss the issue privately between involved parties.
 2. If unresolved, bring the issue to the team for discussion.
 3. Seek input from the instructor if necessary.
 - Focus on finding mutually acceptable solutions.

7. Deadlines

- **Expectation:** Regarding deadlines:
 - All team-set and instructor-set deadlines are to be met.
 - If a member anticipates difficulty meeting a deadline, they must inform the team as soon as possible.
 - The team will collaboratively adjust workloads to ensure project timelines are maintained.

Unique Roles

Assigning specific roles can help streamline team operations. Below, define any unique roles, their responsibilities, the powers granted, and any changes to expectations.

a. Team Leader/Coordinator: Kyle Schultz

- **Responsibilities:**
 - Schedule and coordinate team meetings.
 - Monitor project timelines and milestones.
 - Serve as the primary communicator with the mechanical team.
- **Powers Granted:**
 - Authority to make minor decisions to keep the project on track after team consultation.
- **Expectation Changes:**
 - In addition to regular duties, the Team Leader will handle organizational tasks but remains equally responsible for project work.

b. Recorder/Secretary: Hadassah Ranghiuc

- **Responsibilities:**
 - Take detailed notes during meetings.
 - Distribute meeting minutes to all team members within 24 hours via Discord.
 - Post meeting minutes in GitHub Repository
- **Powers Granted:**
 - May request clarifications during meetings to ensure accurate record-keeping.
- **Expectation Changes:**
 - Ensures documentation is maintained without reducing their responsibility in other project areas.

Additional Agreements

This Agreement may be amended upon the vote of at least five (5) of the six (6) members.
